

# EUROPEAN SPRING SCHOOL IN QUANTUM SCIENCE AND TECHNOLOGY

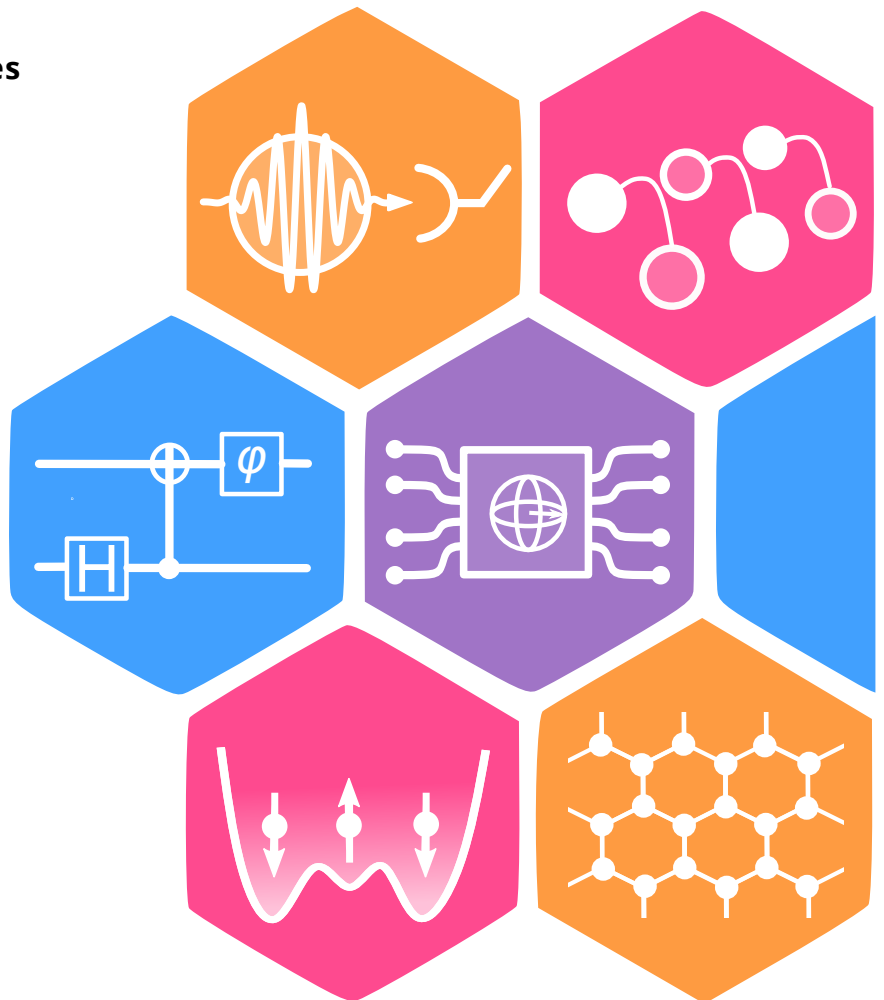

10 - 14 APRIL 2022  
STRASBOURG, FRANCE

strasbourg2022.eu

## Current challenges and new applications bridging quantum science, materials, nanoscience and quantum technology

- For Master and PhD students studying at European universities
- Expert lectures, student talks, posters, networking and more!
- No participation fees
- Travel scholarships available
- Invited lecturers:
  - Immanuel Bloch (Munich)
  - Thomas Ebbesen (Strasbourg)
  - Wolfgang Lechner (Innsbruck)
  - Anja Metelmann (Karlsruhe)
  - Anaïs Dréau (Montpellier)
  - Stéphane Berciaud (Strasbourg)

**APPLICATION DEADLINE**  
**28 FEBRUARY, 2022**
